## Seb Coe message – Diamond League 2025

Welcome to the Yangtze River Delta Athletics Diamond Gala in Shanghai/Keqiao, the second Wanda Diamond League meeting of 2025.

The 2024 season was one to remember for athletics' premier one-day meeting series. More than 1000 athletes from 95 nations competed in the 15 meetings, which were staged across 13 countries.

Seven world records, 18 area records, 90 national senior records and 13 Diamond League records were set. Sweden's Mondo Duplantis rewrote the history books on three occasions in 2024, improving his pole vault world record at the Xiamen Diamond League (6.24m), then again at the Paris Olympics (6.25m), and finally adding another 1cm in Silesia (6.26m) to cap off a stellar season.

More unforgettable world record performances were set by Beatrice Chebet in Eugene (10,000m, 28:54.14), Faith Kipyegon (1500m, 3:49.04) and Yaroslava Mahuchikh (high jump, 2.10m) in Paris, Jessica Hull (2000m, 5:19.70) in Monaco, and Jakob Ingebrigtsen (3000m, 7:17.55) in Silesia.

The 16th annual Diamond League cycle sees 15 meetings take place across four continents, from Xiamen in April through to the final taking place at the Weltklasse Zürich on 27-28 August.

Many top athletes will use the prestigious Diamond League competitions to pit themselves against the best in our sport in preparation for the World Athletics Championships Tokyo 25 – the largest global sporting stage in 2025 – taking place in the Japanese capital from 13-21 September.

I have no doubt that 2025 will deliver more electrifying track and field moments. Enjoy every minute of the action.

With best regards,

Sebastian Coe

World Athletics President and Chair of the Board of the Diamond League Association

## Conditions for Media

### 4.1 Basic principles

- Journalists shall strictly follow the stadium's rules and regulations, and respect the athletes, coaches, audience as well as the meeting organizer's decisions.
- Journalists could enter the press center and other media zones only by wearing the media working passes.
- Journalists shall take care of their personal belongings. The meeting organizer will not be responsible for any loss.

### 4.2 Interview Application Form

### 4.3 Interview Application

All applications for interviewing athletes, key organizers, overseas partners and visiting World Athletics officials must be made three days in advance. Specific arrangements are to be made after official approval.

#### 4.4 Pre-competition Press Conference Guidelines

- All journalists shall arrive 30 minutes prior to each pre-competition press conference.
- All journalists shall wear the working passes upon registration.
- At the Q&A sessions, any journalist to raise the question should firstly indicate his/her name and the represented media organization.

#### 4.5 Media Room Guidelines

- The press center is equipped with cabled internet access and WIFI coverage. Please bring your own computer(s).
- Refreshments available.
- On the event day, all journalists shall only enter designated media zones.

#### 4.6 Bibs Distribution

- All infield photographer bibs will be distributed on the event day during the pre-competition meeting.  
Time: May 3rd 16:00-16:30  
Venue: press conference room (#A1035)
- Bibs for finish-line photographers and authorized broadcasters will be distributed in the Press Center before the Meeting.

Photo vests are distributed only after the briefing by photochief. Attending this brief is mandatory for all photographers (both infield vests as outfield vests).

#### 4.7 Information about the Wanda Diamond League Goes Green policy

In an effort to reduce the environmental footprint of the Wanda Diamond League it is recommended that the amount of paper used by each meeting organisation to service the media should be kept to a minimum.

Digital distribution of a document containing links to relevant information helps to prevent print-outs. All statistical references, press releases, biographies, results and flash interviews should be made available as downloadable PDFs on the Wanda Diamond League meeting website.

Two items to be printed and available in the media rooms only:

- One-page version of the start lists per each event (including the timetable.)  
At a minimum, photographers should be provided with the condensed start lists.  
document provided by Swiss Timing prior to the event.
- Revised start lists/results.

The media chief should also liaise with the host broadcaster in advance of the day of competition to confirm the printed documents required by commentators on-site and make the appropriate arrangements.

### 5.1 About 2025 Yangtze River Delta Athletics Diamond Gala

Since its launch in 2010, the Wanda Diamond League has been the elite one-day meeting series in athletics. It comprises 15 of the most prestigious events in global track and field, crossing four continents and 13 different countries to reach athletics fans in all corners of the world.

The series provides a unique opportunity for athletes across the full diversity of track and field to compete at the highest level throughout the outdoor season, as they bid for the sport's most prestigious global title outside the major championships.

From April to September, athletes from 32 different disciplines compete for points at the 14 series meetings in a bid to qualify for the two-day Wanda Diamond League Final. The 2025 Wanda Diamond League Final will be held at Weltklasse Zurich on August 27th-28th. In each of the 32 disciplines, athletes who have qualified via the Road to the Final compete in a winner-takes-all season finale to be crowned Wanda Diamond League champion. Each champion is awarded the iconic Diamond Trophy and a wild card for the World Athletics Championships (certain conditions apply).

Shanghai/Keqiao, an inaugural member of the Diamond League since 2010, is one of the only three meetings in Asia. The event witness fierce competition and present wonderful experience for audiences with leading athletes such as Olympics medalists, World Championships medalists and world record holders.

This year, the event is jointly hosted by Shanghai and Keqiao for the first time. This is an innovative exploration of jointly hosting international sports events in the Yangtze River Delta region.
