## Sebastian Coe Message – Diamond League 2026

It is my great pleasure to welcome you to the Yangtze River Delta Athletics Diamond Gala in Shanghai/Keqiao, the first Wanda Diamond League meeting of 2026. We witnessed yet another record-breaking season in 2025, with the premier one-day athletics series attracting more than 400,000 spectators to some of the world's most iconic arenas, while being broadcast to audiences in 170 countries worldwide.

More than 1000 athletes from 92 nations competed across 15 meetings in four continents. In total, three world records, 20 area records, 89 senior national records and 12 Diamond League records were set. Those world records were achieved by Kenyan running greats Faith Kipyegon and Beatrice Chebet, and Swedish pole vault superstar Mondo Duplantis. Kipyegon and Chebet made history in the 1500m and 5000m, respectively, at the Prefontaine Classic in Eugene, while Duplantis raised his own world pole vault record to 6.28m at the BAUHAUS-Galan on home soil in Stockholm. The 17th Diamond League season sees the world's top athletes compete for points at 14 meetings as they bid to qualify for the final in Brussels, and a shot at the prestigious Diamond Trophy. Shanghai/Keqiao will host the season opener on 16 May, with Zürich providing the final stop on the Road to the Final. With meetings on four different continents, the Diamond League is one of the most truly global series in world sport. Many of the world's leading athletes will once again use the Diamond League as a key platform for competition, building form and momentum throughout the season as they work towards major milestones, including the inaugural World Athletics Ultimate Championship in Budapest this September. The World Athletics Ultimate Championship is set to transform the athletics calendar and define which athlete is the best of the best every two years – pitting world champions, Olympic champions, the Wanda Diamond League winners and the year's best performing athletes against each other to crown the champion of champions. I have no doubt that 2026 will deliver even more electrifying moments on the track and in the field. I encourage you to savour every minute of the action.

**Sebastian Coe**  
World Athletics President and Diamond League Association Board Chair

## Conditions for Media

### 4.1 Basic principles

- Journalists shall strictly follow the stadium's rules and regulations, and respect the athletes, coaches, audience as well as the meeting organizer's decisions.
- Journalists could enter the press center and other media zones only by wearing the media working passes.
- Journalists shall take care of their personal belongings. The meeting organizer will not be responsible for any loss.

### 4.2 Interview Application Form

### 4.3 Interview Application

All applications for interviewing athletes, key organizers, overseas partners and visiting World Athletics officials must be made three days in advance. Specific arrangements are to be made after official approval.

## 4.4 Pre-competition Press Conference Guidelines

- All journalists shall arrive 30 minutes prior to each pre-competition press conference.
- All journalists shall wear the working passes upon registration.
- At the Q&A sessions, any journalist to raise the question should firstly indicate his/her name and the represented media organization.

## 4.5 Media Room Guidelines

- The press center is equipped with cabled internet access and WIFI coverage. Please bring your own computer(s).
- Refreshments available.
- On the event day, all journalists shall only enter designated media zones.

## 4.6 Bibs Distribution

- All infield photographer bibs will be distributed on the event day during the pre-competition meeting.  
Time: May 16rd 16:00-16:30  
Venue: press conference room (#A1035)
- Bibs for finish-line photographers and authorized broadcasters will be distributed in the Press Center before the Meeting.

Photo vests are distributed only after the briefing by photochief. Attending this brief is mandatory for all photographers (both infield vests as outfield vests).

## 4.7 Information about the Wanda Diamond League Goes Green policy

In an effort to reduce the environmental footprint of the Wanda Diamond League it is recommended that the amount of paper used by each meeting organisation to service the media should be kept to a minimum.

Digital distribution of a document containing links to relevant information helps to prevent print-outs. All statistical references, press releases, biographies, results and flash interviews should be made available as downloadable PDFs on the Wanda Diamond League meeting website.

Two items to be printed and available in the media rooms only:

- One-page version of the start lists per each event (including the timetable.)  
At a minimum, photographers should be provided with the condensed start lists.  
document provided by Swiss Timing prior to the event.
- Revised start lists/results.

The media chief should also liaise with the host broadcaster in advance of the day of competition to confirm the printed documents required by commentators on-site and make the appropriate arrangements.

### 5.1 About 2026 Yangtze River Delta Athletics Diamond Gala

Since its launch in 2010, the Wanda Diamond League has been the elite one-day meeting series in athletics. It comprises 15 of the most prestigious events in global track and field, crossing four continents and 13 different countries to reach athletics fans in all corners of the world.

The series provides a unique opportunity for athletes across the full diversity of track and field to compete at the highest level throughout the outdoor season, as they bid for the sport's most prestigious global title outside the major championships.

From May to September, athletes from 32 different disciplines compete for points at the 14 series meetings in a bid to qualify for the two-day Wanda Diamond League Final. The 2026 Wanda Diamond League Final will be held at Brussels on September 4-5.

In each of the 32 disciplines, athletes who have qualified via the Road to the Final compete in a winner-takes-all season finale to be crowned Wanda Diamond League champion. Each champion is awarded the iconic Diamond Trophy.

As an inaugural member of the Diamond League since 2010 and one of only three meetings in Asia, the 2026 Yangtze River Delta Athletics Diamond Gala will serve as the spectacular season opener of the 2026 Diamond League. The event witness fierce competition and present wonderful experience for audiences with leading athletes such as Olympics medalists, World Championships medalists and world record holders.

This year marks the third consecutive year that the Yangtze River Delta Athletics Diamond Gala has expanded beyond Shanghai, and the second year it is held in Shaoxing Keqiao. This innovative exploration of jointly hosting events has yielded fruitful results, not only further broadening the grassroots foundation of athletics in China, but also allowing global audiences to more truly feel the ancient charm and modern trend of China.
